SEAFORD COLLEGE MOUTHGUARD POLICY

Please see the letter below from Mr Liam Doubler, Director of Sport.

SEAFORD SPORT - OPRO INSTANT CUSTOM FIT MOUTHGUARDS

Dear Parents, Carers and Guardians,

As you may be aware, the governing bodies of both rugby and hockey strongly recommend the wearing of custom-fitted mouthguards at all levels of the sporting pathway. The Seaford College sport policy is to adhere to these guidelines, and we recommend that all students get a custom-fitted mouthguard.

To support all our students – and with safety in mind – we have set up a new relationship with OPRO, who are the largest manufacturers of custom-fit mouthguards in the world. OPRO have launched their revolutionary Instant Custom-Fit mouthguard which is a dentist level mouthguard that can be fitted at home.

Benefits of the Instant Custom-Fit mouthguard:

- **Instant Fit:** OPRO's innovative fitting system allows your child to take a dentist-level impression of their teeth while moulding the mouthguard at home.
- **Custom Protection:** Choose from three protection levels to suit your sport, antimicrobial protection is now built into the mouthguard as standard for extra hygiene.
- **Professional Quality:** Made in OPRO's state-of-the-art facility in Hertfordshire, this mouthguard offers the highest level of protection, as worn by professionals.
- **Affordable Pricing:** Prices start from just **£29.99**, plus use the discount code **SEAFORD10** to receive **10%** off the entire OPRO range.
- **Quick Delivery:** The Instant Custom-Fit mouthguard can be manufactured in as little as 2 days. Once fitted at home, it's ready for use.
- **Complimentary Fitting-Practice Guard:** You will receive a free Self-Fit Mouthguard to practice the fitting process, which can also serve as a spare for the season.
- **Peace of Mind:** All OPRO mouthguards come with a 12-month **Dental Warranty** and **Precision-Fit Guarantee**.

There is no obligation to purchase an OPRO mouthguard and you may choose to purchase these items elsewhere; however, please note that all students will require a mouthguard for their sports lessons.

If your son/daughter already has a custom-fitted mouthguard, we would be very grateful if you could check that it still fits. A child's growth does limit a mouthguard's lifespan, and most dental warranties are valid only for a year from the date of manufacture of the mouthguard. You may also decide to use a different type of mouthguard should you feel this appropriate.

Thank you for your continued support of the Sports programme at Seaford and we look forward to seeing you on the sidelines.

Yours sincerely
