7 The importance of good attendance

7.1 The School recognises the importance of developing good patterns of attendance from the outset. This is an integral part of the School's ethos and culture. In building a culture of good school attendance it recognises:

  7.1.1 the importance of good attendance, alongside good behaviour, as a central part of the school's vision, values, ethos, and day to day life;

  7.1.2 the interplay between attendance and wider school improvement efforts, building it into strategies on attainment, behaviour, bullying, special educational needs support, supporting pupils with medical conditions and / or disabilities, mental health issues, safeguarding wellbeing, and support for disadvantaged pupils;

  7.1.3 the importance of setting high expectations for the attendance and punctuality of all pupils and communicating these regularly and effectively to pupils and Parents;

  7.1.4 that attendance is never "solved" and is a continuous process requiring revision and updating of messages, processes and strategies; and

  7.1.5 children missing education can act as a vital warning sign to a range of safeguarding issues, including neglect, sexual abuse and child sexual and criminal exploitation.

8 School responsibilities

8.1 The School acknowledges that attendance is the essential foundation to securing positive outcomes for all pupils and that everyone has a responsibility to take proactive steps to manage and improve attendance across the School community.

8.2 The School will consistently promote the benefits of good attendance, setting high expectations for every pupil and consistently communicating those expectations to pupils and Parents.

8.3 Where there are challenges to attendance, the School will work effectively and respectfully with pupils, their families and, where appropriate, local authorities to address them.

8.4 The School will respond to non-attendance and / or lateness proactively, firmly, consistently and with care, with appropriate reference to this policy, its safeguarding and behaviour policies and the School's terms and conditions. It will act in a proportionate and targeted way in response to data or intelligence and ensure intervention is regularly reviewed.

8.5 The School will have robust systems in place to track and record attendance, reasons for absence and patterns at an individual level and by cohorts or groups in order to identify pupils at risk of non-attendance, those at risk of becoming CME, and those who are persistently absent and it will monitor and analyse this data regularly to facilitate early intervention to address issues.

9 Staff responsibilities

The SAC

9.1 The Proprietor has appointed a senior member of staff of the School's leadership team as SAC to have overall responsibility for championing and improving attendance in school. Details of the individual appointed are at the front of this policy and are widely publicised within School.

9.1.1 The SAC's responsibilities are:

(a) to set a clear vision for improving attendance in school;

(b) to establish and maintain effective systems for tackling absence and make sure the systems are followed by all staff;

(c) to regularly monitor and evaluate progress, including the efficacy of the school's strategies and processes;

(d) to have oversight of and analyse attendance data; and

(e) to communicate clear messages on the importance of attendance to pupils and Parents.

9.2 **Staff with specific responsibilities for attendance:**

The staff identified in Appendix 1 of this policy have day to day responsibility for monitoring and promoting good attendance and punctuality. They should:

9.2.1 have a formal routine for registers being taken accurately each morning and afternoon;

9.2.2 record all absences promptly and accurately using the processes specified;

9.2.3 seek explanations of absences required from pupils on their return to School;

9.2.4 make enquiries about unexplained absences, including those within the school day, and follow up with pupil to ensure that an explanation has been formally given to the School;

9.2.5 look out for trends or patterns in a pupil's attendance and inform the SAC of any specific concerns;

9.2.6 deal with lateness to lessons consistently and promptly;

9.2.7 consider appropriate sanctions for pupils who arrive late to a lesson in line with the School's behaviour and discipline policies; and

9.2.8 discuss non-attendance and / or lateness with pupils and Parents (where possible) and emphasise the importance of punctuality and attendance.

9.3 **All staff**

9.4 The School ensures that all teaching and non-teaching staff know the importance of good attendance and are consistent in their communication with pupils and Parents about it.

9.5 The School provides appropriate training and professional development for staff consistent with their roles and responsibilities.

10 School arrangements

10.1 The School will accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence. These registers must be kept electronically. Contact details of relevant staff can be found at the front of the policy and other details about the School's arrangements can be found in Appendices Appendix 1-Appendix 4.

11 Monitoring attendance

11.1 The School will undertake regular attendance data analysis to identify and provide additional support to pupils or pupil cohorts that need it, and to look at historic and emerging attendance patterns across the School and develop strategies to address them. Such analysis may include:

11.1.1 monitoring and analysing weekly attendance patterns and trends and provide support in a targeted way to pupils and families;

11.1.2 using this analysis to provide regular attendance reports to class teachers to facilitate discussions with pupils and to leaders (including the special educational needs coordinator and designated safeguarding lead);

11.1.3 undertaking frequent individual level attendance analysis to identify pupils who need support with attendance and focus staff efforts on developing targeting actions for those cases;

11.1.4 conducting thorough attendance analysis of half-termly, termly, and full year data to identify patterns and trends;

11.1.5 benchmarking attendance data at whole school, year group and cohort level to identify areas of focus for improvement;

11.1.6 devising specific strategies to address areas of poor attendance identified through data;

11.1.7 monitoring the impact of school-wide attendance efforts, including any specific strategies implemented; and

11.1.8 providing data and reports to the Proprietor to support its work.

12 Pupil responsibilities

12.1 School attendance is important to pupil attainment, wellbeing and development. The School therefore has high expectations of pupils as to their attendance and has systems in place to reward good attendance and manage poor attendance.

12.2 Pupils should be aware that:

12.2.1 they are expected to be present in-person for the duration of each School day;

12.2.2 they are expected to arrive on time and attend all timetabled lessons;

12.2.3 they should not leave a lesson or the School site without permission or otherwise in accordance with School rules;

12.2.4 they should engage with the School's arrangements for recording and managing attendance as set out in this policy;

12.2.5 any unexplained absence will be followed up;

12.2.6 persistent lateness or non-attendance will result in action being taken by the School. This may take the form of:

(a) offers of support to seek to identify and address any barriers to attendance;

(b) communication with Parents;

(c) reporting to other agencies such as children's social care; and

(d) sanctions against them or their Parents in line with the School's behaviour policies.

12.2.7 If pupils are having difficulties that might discourage or prevent them from attending School or specific lessons regularly, they may speak to any member of staff, although the School encourages them to speak to their Tutor or Head of Year or those staff identified in Appendix 1 in the first instance. Pupils are entitled to expect this information to be managed sensitively.

13 Additional needs

13.1 The School recognises some pupils may find it harder than others to attend School, and will work with those pupils and parents to try to remove barriers to attendance by building strong and trusting relationships and working together to put the right support in place.

13.2 The School will make reasonable adjustments where a pupil has a disability that puts them at a substantial disadvantage, in comparison with pupils without a disability, in relation to school attendance.

13.3 It will also work with Parents, and where appropriate with the local authority, to develop specific support approaches for attendance for pupils with special educational needs and disabilities e.g. ensuring the provision outlined in a pupils education, health and care plan is accessed.

13.4 Where a pupil has an education, health and care plan the School will communicate with the local authority where the pupil's attendance falls or the School become aware of barriers to attendance that relate to the pupil's needs.

13.5 Suitable strategies and support will also be considered for pupils with any social, emotional or mental health issue that is affecting their attendance.

13.6 Where barriers are outside of the School's control, the School will work with Parents and pupils to identify alternative sources of support or consider, where appropriate, making a referral for early help.

13.7 The School will make a sickness return to the local authority if a pupil is recorded in the attendance register as absent using the national absence code I (unable to attend because of sickness) and there are reasonable grounds to believe that the pupil will have to miss 15 consecutive or cumulative school days or more for illness or the pupil's total number of school days missed during the current school year because of illness (whether consecutive or cumulative) will reach or exceed 15 school days.

14 Parent / carer responsibilities

14.1 The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education.

14.2 This means pupils must attend every day that the School is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the School.

14.3 The School will help Parents to understand what is expected of them and why attendance is important to their child's attainment, wellbeing, and wider development and provide clarity on the short and long term consequences of poor attendance.

14.4 Expectations the School places on Parents can be found in Appendix 1 of this policy

14.5 Parents are bound by the terms relating to conduct and attendance in the parent contract and failure to ensure a child's attendance or engage with the School about it could amount to a breach of contract or a finding that the parent is treating the School unreasonably.

15 Training

15.1 **Staff:** The School ensures that regular guidance and training on attendance is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles. As a minimum this will include all staff understanding:

15.1.1 the importance of good attendance and that absence is almost always a symptom of wider circumstances; and

15.1.2 the School's strategies and procedures for tracking, following up and improving attendance.

15.2 Dedicated attendance training is provided to any member of staff with a specified attendance function in their role, including administrative, pastoral or family support staff and senior leaders. This should include:

15.2.1 the law and requirements of schools including on the keeping of registers;

15.2.2 the process for working with other partners to provide more intensive support to pupils who need it;

15.2.3 the necessary skills to interpret and analyse attendance data; and

15.2.4 any additional training that would be beneficial to support pupils and pupil cohorts overcome commonly seen barriers to attendance.

15.3 The School maintains written records of all staff training.

16 Information sharing

16.1 Personal information on attendance will only be shared in line with legal obligations and having regard to government guidance on attendance, safeguarding and children missing education.

16.2 The School, local authorities and other local partners should work jointly and share data on individual cases where it is of benefit to a pupil (e.g. health services where there are medical conditions or the police where there are extra-familiar harms).

16.3 Where enquiries following the absence of a pupil lead the School to reasonably believe that the child will not return, and no alternative provision has been confirmed by the parent, the School will make a referral to the child's home local authority CME team without delay.

16.4 Where appropriate the schools will attend regular targeting support meetings.

16.5 The School is legally required to share information from the registers with the local authority. As a minimum this includes:

16.5.1 New pupil and deletion returns;

16.5.2 Attendance returns;

16.5.3 Sickness returns.

16.6 The law allows local authority officers access to the attendance and admission registers of all types of schools to carry out their functions under the Education Acts to support joint working between schools and local authorities. These officers are also permitted to take digital or physical extracts of the School's registers.

16.7   The School must provide specific pupil information on request to the Secretary of State. The School meets this requirement by having an electronic management information system containing the required information that can be accessed by the DfE. The School also uses this tool to monitor pupil level attendance and understand trends in attendance patterns.

16.8   Where appropriate, the School is expected to inform a pupil's social worker and/or youth offending team worker if there are unexplained absences.

17   Record keeping and confidentiality

17.1   All records created in accordance with this policy are managed in accordance with the School's policies that apply to the retention and destruction of records.

17.2   The information created in connection with this policy may contain personal data. The School's use of this personal data will be in accordance with data protection law. The School has published privacy notices on its website which explain how the School will use personal data.

Appendix 1   School arrangements

1   **Managing attendance**

1.1   The School monitors, records and shares data about pupil attendance and as part of its duty to safeguard and protect pupils and promote attendance and prevent children becoming CME. It accurately completes admission and attendance registers as required by law and set out in Appendix 3 and Appendix 4 respectively. The admission and attendance registers must be kept electronically and retained by the School for the relevant time period as stated by law.

1.2   The School expects all pupils to be present at School for the whole of the School day, usually from registration at 8:25am to close at 5:30pm (or 3:55pm for Years 1 to 5, and 3:30pm for Reception pupils), but this period may be extended, for example for out of school clubs, sports fixtures or school trips.

2   **The role of Parents / carers**

2.1   The School expects all Parents to:

2.1.1   make any application for an authorised leave of absence at the earliest opportunity;

2.1.2   notify the School by contacting the School Attendance Team of any absence or delay as soon as reasonably possible in accordance with this policy and when doing so, give an accurate explanation for this; and

2.1.3   notify the School in writing if their child will no longer attend the School after a certain day and supply information to the School about how their child will be continuing to receive suitable education;

2.1.4   cooperate with the School to explore possible barriers to attendance and to improve it where attendance has been raised as an issue.

2.2   Parents of day pupils should ensure their child attends School by 8:25am for morning registration;

2.3   Parents of boarding pupils should ensure their child returns to their boarding accommodation by the specified time (normally 7:00pm on the Sunday before the beginning of the school week or later if agreed with the Houseparent).

3   **Registration and attendance checks**

3.1   All pupils should attend morning registration at 8:25am to 8:35am and as part of tutor time. Pupils who arrive after this will be marked in as late till the end of Period 1 (8:55am), when the registers close.

3.2   Afternoon registration will be at 3:30pm for Reception, 3:55pm for Years 1 to 5 and 4:20pm for Years 6 to 13 during tutor time.

3.3   Once the morning and afternoon registers close, a pupil will be recorded as absent if not present in the classroom/lesson.

3.4   If a pupil is absent when the register started being taken but arrives before the register is closed they will be recorded as a late arrival (code L).

3.5   If a pupil arrives after the register has closed but before the end of the session without a satisfactory explanation e.g. because of an unavoidable cause, then this will be recorded as an unauthorised absence (code U) and the reasons given/not given will be recorded.

3.6   Pupils must sign-in if they arrive after morning tutor time. They can do this at the reception desk in Mansion, SMT office on the Chicken Walk or at the reception desk in Prep School.

3.7   Registers will also be called at the beginning of each lesson in order to identify and follow-up on absences from lessons that might occur after morning or afternoon registration.

3.8   The School uses ClassCharts for taking registers and SIMS for managing and storing registration data.

Attendance and Absence: Prep School

We aspire to high levels of attendance from all students. Regular school attendance is crucial for students' academic progress, academic outcomes, personal development and wellbeing.

Students are expected to be present in person for the duration of each school day and are expected to arrive on time to school and attend all timetabled lessons on time. Registration takes place at 8:25am, and all students must be in their tutor rooms by this point.

Unplanned absences:
- If a student is absent from school for an unplanned reason, their parent/carer/guardian should contact the school by 8:25am (see Reporting Absence process below).
- For unplanned absences of more than a day, parents/carers/guardians should contact the school on each day of the absence or advise the school of when their son/daughter will return.
- *If we are not aware of a valid reason for absence, it will be recorded as **unauthorised absence** (this cannot be changed retrospectively).*

Late arrivals:
- If a student arrives at any time after 8:35am, they are required to sign in at the Prep School Reception.

Early pick-up:
- If a student needs to leave early for any reason, their parent/carer/guardian should contact the school (see Reporting Absence process below) at the earliest convenience.
- For boarders, house parents and house assistants must also be informed so they can support with collection.

Planned absence of any kind:
- Permission for any planned absence should be sought from the school in advance using the Reporting Absence process below.

When reporting absence by email or phone, parents/carers/guardians should state their name, the student's name, tutor group and the reason for absence.

Missing school for holidays or other non-educational reasons **is discouraged** as it disrupts students' education and is detrimental to their academic outcomes, personal development and wellbeing. **Absences of this nature will be recorded as unauthorised as per DfE's statutory guidance.**

We follow up on persistent absence and work proactively and supportively with parents/carers/guardians to raise levels of attendance and punctuality (to school and lessons), where needed. We are required to inform our Local Authority if a student's sickness related absence exceeds 15 consecutive or cumulative days.

6   **Arrangements for reporting subsequent absence**

6.1   Absence will be recorded on the Attendance Register as set out in Appendix 4.

7   **Managing absence**

7.1   For unauthorised absences, we will:

7.1.1   Contact parents of the pupil concerned on the day to ascertain the reason for absence.

7.1.2   Record the unauthorised absence along with reason given (if this is provided).

7.1.3   Monitor absence of that pupil for a period of a term to identify further unexplained absences and related patterns or trends.

7.1.4   For unauthorised absences of 3 or more whole school days (consecutive or cumulative) over a term, parents will be contacted by e-mail or phone to arrange a face-to-face meeting. The pupil's Head of Year, a Senior leader (one from SAC, Director – Middle School, Director – Sixth Form or Deputy Head – Prep School) and appropriate staff from No. 46 will be present at the meeting. In the meeting, they will try to understand the reasons for absence and how we can work together to reduce this in addition to minimising the impact on education missed due to absence. The following actions may be put forward which could include, but are not limited to:

(a)   Weekly check-ins with pupil

(b)   Weekly check-ins with parents

(c)   Support Plan to ensure wellbeing, maintaining attendance and catch-up on missed academic work

(d)   Attendance rewards

(e)   Attendance sanctions

7.2   Parents of pupils returning from long absence periods (i.e. 15 or more consecutive school days and to include illness, authorised absence or unauthorised absence) will meet the Head of Year and form tutor (and appropriate staff from No. 46 if relevant) so that a Support Plan (academic and/or pastoral focus) can be agreed and put in place. This is to ensure a successful return to school and continued education with minimal academic and pastoral impact. This plan should be in effect from the first day of the pupil's return to school after this period of absence.

8   **Authorised absences**

8.1   Authorised absence means that the School has either given approval in advance for a pupil to be away (granted an authorised leave of absence) or has accepted an explanation offered afterwards as justification for absence.

9   **Applications for an authorised leave of absence**

9.1   Applications for authorised leaves of absence during the School day will only be granted in exceptional circumstances and will only be permitted if made using the Reporting Absence process.

9.2 The School will consider each application for an authorised leave of absence individually, taking into account the specific facts and circumstances, the pupil's past attendance record and the relevant background context behind the request.

9.3 Apart from illness or where there are additional needs, no pupil should be away from School without prior permission using the Reporting Absence process.

9.4 Dental or medical appointments should be made during School holidays or after the school day except in cases of emergency when School Attendance Team should be informed.

9.5 If a leave of absence is granted, it is for the Director – Head of Middle School, Director – Head of Sixth Form, Deputy Head – Prep School to determine the length of the time the pupil is or was permitted to be away from School. It will be recorded as an authorised absence. See section 3 of Appendix 4 for more details.

9.6 A leave of absence will usually be authorised for religious observance if the day concerned is exclusively set apart for religious observance by the religious body to which Parents and pupils belong. Parents are expected to make a request for this type of leave using the Reporting Absence process..

10 **Reporting duties**

10.1 The School is legally required to share information from their registers with the local authority. As a minimum this includes:

10.1.1 **New Pupil and Deletion returns:** notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times.

10.1.2 **Attendance returns:** providing the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been absent for a continuous period of ten school days where their absence has been recorded with one or more of the codes statistically classified as unauthorised (G, N, O, and / or U).

10.1.3 **Sickness returns:** providing the local authority with the full name and address of all pupils of compulsory school age who have been recorded with code I (illness) and who the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness. Only one sickness return is required for a continuous period of sickness in a school year.

10.2 For a pupil holding a Student or Child Student visa sponsored by the School under the Points Based System, UKVI sponsor guidance states that a sponsored pupil's attendance must not drop below 80% or miss 10 consecutive days of school for unauthorised absence. If any of the above occurs the school/college will assess the reasons behind this and if necessary, the school/college will report this on the SMS as per the sponsor guidance.

10.3 Each time the School's attendance register is completed it is treated as a contact point for these purposes.

10.4   The report will be made by the School's Level 1 user via the Sponsor Management and in accordance with prevailing UKVI guidance

10.5   Action will also be taken in accordance with the Missing Pupil Policy and Safeguarding Policy if any absence of a pupil from the School gives rise to a concern about their welfare. This includes referring any concerns about a pupil to local children's social care services and instigating a police welfare check where necessary.

Appendix 3   Admission register

1   **Admission register**

1.1   In accordance with the requirements of the School Attendance (Pupil Registration) (England) Regulations 2024 the School will:

1.1.1   maintain an admission register of all pupils (of both compulsory and non-compulsory school age) admitted to the School (also known as the school roll); and

1.1.2   inform the local authority of any pupil who is going to be added to or deleted from the School's admission register at non-standard transition points.

1.2   The admission register must be kept electronically and a back-up copy of the register is made at least once a month in the form of an electronic or printed copy.

1.3   The school must ensure that every entry in the School's admission register is preserved for six years beginning with the day on which the entry was made; and every back-up copy of the register is preserved for six years after the end of the school year that it relates to.

1.4   The admissions register contains specific personal details of every pupil in the School, including their date of admission, information regarding Parents and carers and details of the school they last attended and whether each pupil of compulsory school age is a boarder or day pupil.

1.5   A pupil's name can only be deleted from the admission register for a reason set out in regulation 9 of the School Attendance (Pupil Registration) (England) Regulations 2024. When any of the situations set out in regulation 9 occurs, the pupil's name must be deleted.

1.6   Where the School notifies the local authority that the pupil's name is to be deleted from the admission register, the School must provide it with the following information:

1.6.1   the full name of the pupil;

1.6.2   the address of the pupil;

1.6.3   the full name and address of any parent the pupil normally lives with;

1.6.4   at least one telephone number of any parent with whom the pupil lives or can be contacted in an emergency;

1.6.5   the pupil's future address, the full name and address of the parent who the pupil is going to live with, and the date the pupil is expected to start living there, if applicable;

1.6.6   name of the pupil's other or future school and pupil's start date or expected start date there, if applicable;

1.6.7   the ground (prescribed in regulation 9) under which the pupil's name is to be deleted from the admission register.

Appendix 4   Attendance register

1   **Attendance register**

    1.1   The School records and monitors the attendance of all pupils (both of compulsory and non-compulsory school age), including boarders, in accordance with the School Attendance (Pupil Registration) (England) (Regulations) 2024

    1.2   The School uses the appropriate national attendance and absence codes system to enable it to record and monitor attendance and absence in a consistent way which complies with regulation 10 of the Attendance Regulations.

    1.3   The attendance register is kept electronically and a back-up copy of the register is made at least once a month in the form of an electronic or printed copy.

    1.4   The School will also use these records to identify patterns of poor attendance (at individual and cohort level) and work with pupils and Parents to resolve any issues before they become entrenched and in order to prevent children becoming CME.

    1.5   The School is required by law to take attendance registers twice daily - once at the start of the morning session and once during the afternoon session.

    1.6   On each occasion it will be recorded whether every pupil is (with the exception of a pupil who is a boarder):

       1.6.1   physically present in school when the attendance register begins to be taken; or

       1.6.2   absent from the school when the attendance register begins to be taken but attends before the taking of the register has ended; or

       1.6.3   attending a place other than the school; or

       1.6.4   absent.

    1.7   The circumstances in which a pupil may be recorded as attending a place, other than the school, can include:

       1.7.1   Attending educational provision arranged by a local authority;

       1.7.2   For an educational visit or trip arranged by or on behalf of the school and supervised by a member of school staff;

       1.7.3   Attending a place for an approved educational activity that is a sporting activity;

       1.7.4   Attending an approved educational activity that is work experience provided under arrangements made by the school as part of the pupil's education;

       1.7.5   Attending a place for any other approved educational activity.

2   **Recording absence**

    2.1   Absence will be recorded in accordance with the national absence codes set out in regulation 10 of the School Attendance (Pupil Registration) (England)

(Regulations) 2024 and statutory guidance Working together to improve school attendance relating to:

2.1.1   leaves of absence;

2.1.2   other authorised reasons;

2.1.3   unable to attend school because of unavoidable cause;

2.1.4   unauthorised absence.

3   **Remote education**

3.1   Attendance is essential for pupils to get the most out of their school experience, including for their attainment, wellbeing, and wider life chances.

3.2   Remote education should not be viewed as an equal alternative to attendance in school. The School considers it only as a last resort when the alternative would be no education, and only after it has been established that the pupil is, or will be, absent from school.

3.3   The School is required to record all absence from in-person lessons.

3.4   In such cases, the School may, in limited and exceptional circumstances, and in agreement with parents, provide remote education to enable pupils, who are well enough to learn but unable to attend the School site, to keep pace with their education.

3.5   Remote education may take a number of forms and will only utilise the existing technologies and platforms available at the School (e.g. school iPad, school Office365 account, Teams, OneNote, Firefly). These technologies and platforms would be used in line with the School's Internet Access Acceptable Use Policy and Safeguarding Policy.

3.6   In the limited circumstances when the School decides to use remote education for individual pupils when they are absent, the following will be considered:

3.6.1   ensuring mutual agreement of remote education by the School, Parents or carers, potentially pupils, and if appropriate a relevant medical professional. If the pupil has an Education, Health and Care plan or has a social worker, the local authority should also be involved in the decision;

3.6.2   if remote education is being used as part of a plan to reintegrate back to school, putting a formal arrangement in place to review its efficacy regularly, alongside identifying what other support and flexibilities can be put in place to help ease the pupil back to school at the earliest opportunity;

3.6.3   setting a time limit within which the period of remote education provision should be reviewed, with the aim that the pupil returns to in person education with the required support in place to meet their needs.

3.7   Pupils who are absent from school and receiving remote education still need to be recorded as absent using the most appropriate absence code. The School will keep a record of, and monitor pupil's engagement with remote education, but this is not formally tracked in the attendance register. Where

appropriate, this information may be used to make plans for a pupil's reintegration to school.

3.8　The School will utilise a digital education platform that will be kept up-to-date and keep pupils safe. Staff will remain trained and confident in its use.

Unauthorised absence

3.9　The "unauthorised absence" code will be used when prior permission for absence has not been given and where the School is not satisfied with the explanation given for absence or delayed attendance or where no explanation has been given meaning that the code for "unable to attend due to an exceptional circumstance" is not appropriate. Examples include:

3.9.1　holiday has not been authorised by the School or is in excess of the period determined by the Director – Head of Middle School, Director – Head of Sixth Form, Deputy Head – Prep School.

3.9.2　the reason for absence has not been provided;

3.9.3　a pupil is absent from school without authorisation;

3.9.4　a pupil has arrived in school after registration has closed and without reasonable explanation.
